

Bespoke Functional Fitness Equipment & Flooring Solutions

Below are our current standard colours* available inclusive in the price of our XCUBE Functional Rigs. We are able to accommodate any number of colour requests. If you do not see the colour to match your branding or design needs, please supply us with the RAL colour or sample of the colour or colours you would like us to match and we will do our best to get the colours you require. Additional costs will apply for specialist colour matching.
